OnlineRegistration/Verification for 2020-2021

Online registration and verification for the 2020-2021 school year is now open! This process must be completed for every student each school year. Please check your email beginning for a message from "PowerSchool Registration Support" noreply@noreply.psrsupport.com and follow the instructions in that email to complete the registration process.

All parents and guardians are required to complete the registration process by 4:30pm on March 20, 2020. This deadline allows us to determine the eligibility of bus pass applicants, the routing of buses, bus pass production and data verification before the summer break while schools are still operating. **Any applications received after the March 20 deadline may not be processed in time for the first day of school.**

Payment arrangements for bus passes must be received through Parkland School Division's online payment system (Rycor) or at the Parkland School Division Centre for Education on or before **Friday, June 26, 2020** for students to be eligible to ride the bus the first day of school. Remember: If your child does not have a valid bus pass for the 2020-2021 school year, they will not be able to ride the bus.
